SPRING TERM NEWSLETTER WEEK ENDING 14TH FEBRUARY 2025

What an amazing day the dance-athon has been! The children (and staff!) have brought the energy in their fabulous outfits from the very start of the day when some of them created a dance floor on the playground before school started! There has been dancing in the hall with our dance teacher Dani, dancing on the playground at playtime and the dancing bell has been ringing throughout the day to signal to stop work and start dancing!

Thank you to all our families for all the sponsor money that has been collected and is already coming in. We are blown away by the amount of money that appears to have been raised. If you haven't sent in your sponsor money just yet, please try and get it into school by the end of the first week back.

A huge well done to our Year 4 team who put on a Pop-up Pre-loved Shop earlier this week. Proceeds are still trickling in but they have surpassed £100 which is fantastic. Thank you to everyone who sent something in or bought something.

The first week back after half term is a busy one. On Monday 24th, all Year 4, 5 and 6 are out of school for the afternoon on a musical adventure! The choir, who have been practising hard since September, will be travelling to Manchester, to join thousands of other children at the Co-Op Live for the Young Voices concert. Meanwhile, the rest of the children will be travelling to Blackpool to see the National Youth Orchestra in concert at Blackpool Tower. Both events will give the children a memorable, live music event - we can't wait!

On Thursday 27th February, a group of children from the School Council will be travelling down to London by train to visit the Houses of Parliament for the annual 'Speaker's Day' where we hope to see Sir Lindsay Hoyle and find out a little more about his role in Parliament.

A reminder that any pictures that the children have drawn for the visiting artist who will be painting our new library area are due in on Monday 24th February.

Have a great half term break.

Dear parents,

Places are now available to join a new 12-week football course every Thursday at Southlands High School, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

Online Safety Newsletter

Feb 2025

Messaging others

There are many ways in which our children can communicate online, for example via messaging apps, social media apps and online games such as FIFA and Fortnite. We need to understand how and who our children are communicating with to keep them safe online.

Ensure your child knows to talk to a trusted adult should they need to. However, remind them that it is not appropriate to contact teachers online, they should only use official school communication methods.

What are the risks?

- Bullying and inappropriate chat.
- Contact from strangers.
- Sharing personal information including images.
- Sextortion - this is a form of extortion where somebody threatens to share a nude/sexual image of you.

How can I mitigate the risks?

- Ensure your child is accessing age-appropriate apps/games and that appropriate parental controls are set up.
- Chat to your child about the risks so they are aware of what can happen online.
- Depending on the age of your child, it may be more appropriate for devices to be used in family rooms so you can monitor what they are doing.

Squid Game – rated 15+

Season 2 of Netflix's Squid Game is now available and has been **rated 15** by the British Board of Film Classification (BBFC). You can find out why Squid Game has been rated 15 by visiting the BBFC:

<https://www.bbfc.co.uk/release/squid-game-q29sbgevidglvbipwwc01mzm3ndg>.

Due to its popularity, Squid Game related content can be found on numerous other platforms such as YouTube, TikTok and Roblox, so your child may come across this show without even viewing it on Netflix. Content may range from trailers of the show or content that other people create such as memes and games.

What can I do?

- **Parental Controls** - Set up appropriate parental controls on your broadband, devices and on individual apps to reduce access to content that is not appropriate for their age.
- **Talk** - Chat to your child about age ratings and why this means certain programmes are not suitable for them to watch.
- **Individual Profiles** - Set up child profiles on any streaming services to ensure your child is only viewing content appropriate to them.
- **Reporting** - Make sure your child knows how to report and block on all platforms that they use.
- **Explore** - Watch and explore things online together so you can see what your child is doing and how to support them.

More information:

It is important to talk to your child regularly about what they are watching and ensure that they know they should always tell you or another trusted adult if they do see anything upsetting. You can find out more about the type of inappropriate content your child might come across online here: <https://www.internetmatters.org/issues/inappropriate-content/learn-about-it/>

Should children have mobile phones?

The Children's Society explore this important question in their recent blog titled "Should children have mobile phones?" The article discusses concerns such as excessive screentime being linked with mental health issues as well as the benefits of a child friendly phone rather than a smart phone. You can read the full article here:

<https://www.childrenssociety.org.uk/what-we-do/blogs/should-children-have-mobile-phones>

Snapchat

What is Snapchat?

Snapchat is a social media app used for messaging and sharing photos and videos. **You must be 13+ to sign up.** Users can send messages (snaps) to others that are only seen for a set time e.g., 10 seconds and users can also upload snaps to stories, which disappear after 24 hours.

Key Concerns

There are potential risks to using Snapchat, including:

- the risk of your child viewing content that is not appropriate for their age.
- location sharing (via Snap Map) (this can be switched off).
- cyberbullying.
- contact from strangers.
- excessive screen time.

Family Centre features

Snapchat's Family Centre is a set of parental controls and includes tools such as allowing you to:

- see who your child is friends with.
- see who your child has sent messages (not the contents of conversations though), photos or videos to in the last week.
- view a list of group members for groups that your child has been active in.
- restrict content to limit access.
- report any accounts that you are concerned about.

You can learn more about Family Centre here:

<https://parents.snapchat.com/parental-controls?lang=en-GB>

Safety tips

Please make sure the appropriate privacy settings are set up on Snapchat, including who can see their location and also ensure your child knows how to block and report other users if necessary:

Do you need help managing your child's device?

You can use Google Family Link or Apple Family Sharing to help you depending on your child's device.

Google Family Link

This is a free parental control app from Google that lets you:

- View activity reports showing how long they spend on each app.
- Approve or block new app downloads.
- Set screen time limits.
- Find their location.

You will need to download an app and then decide appropriate settings.

<https://families.google/familylink/>

Apple Family Sharing

You can set up Family Sharing in the settings of your device. Family Sharing allows you to:

- Share Apple subscriptions and purchases from the App Store.
- Approve what children purchase/download.
- Limit screen time.
- Share locations and find devices.

<https://www.apple.com/uk/family-sharing/>

Monitoring Apps (paid for)

In addition, there are apps that you can pay for that you may find provides a better solution for you. Whilst we cannot recommend/endorse a specific product, these are some examples that you could review and test using a free trial:

- Norton Family: <https://uk.norton.com/products/norton-family>
- Qustodio: <https://www.qustodio.com/en/>
