MESSAGE FROM MRS PRICE

Dear Parents & Carers

What a fabulous end to the half term we have had this week! Today we welcomed Canon Neil Kelley into school from St. Laurence's Church, who led a harvest assembly. He has then taken away the most amazing collection of packets and tins which will be passed on to local families in need. Thank you to all our families who brought in donations - together we have made a big difference!

Last night, many of our children came back to school to enjoy our annual 'Monster Ball!' The costumes, face paints, hair styles were absolutely incredible and it was lovely to see the children all having a great time with their friends! From bopping away to their favourite tunes, to wrapping their teachers in toilet paper, a great time was had by all! Thank you to all the staff and parents who helped out by decorating the hall, selling sweets and treats and staying to clear up afterwards. The biggest thanks of all go to the wonderful Danny Zoom, who came along to entertain the children free of charge - thank you very much!

As you will have seen on last week's newsletter, over half term, work will begin on our brand new school roof. Whilst this is an exciting project, it is going to mean a lot of disruption over the next few months, and school is going to look very different when we return from the break. I will post some photos on Dojo over half term so that you can share them with your children. This will help them know what to expect. We will keep you constantly updated with any required changes to routines.

Wishing all our families a safe and happy half term. We look forward to welcoming you back to school on Tuesday 4th November.

Headteacher

Thank you

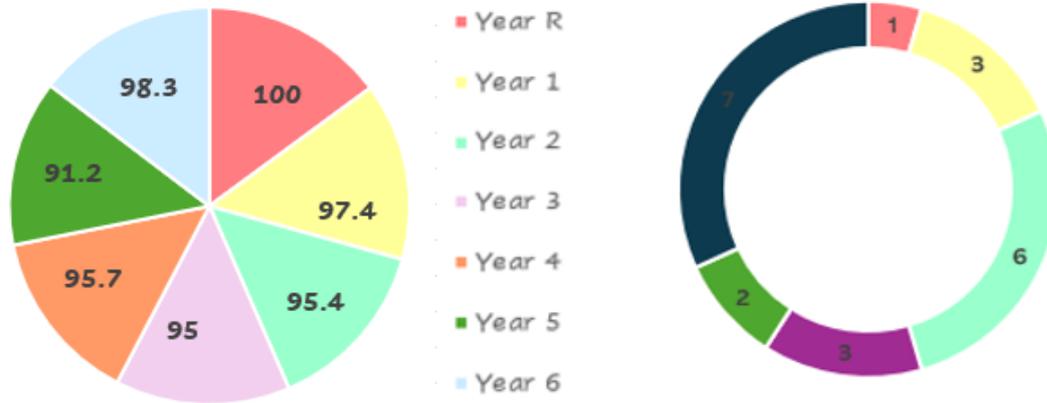

Emily and Abigail Yates have been counting their dads spare change jar and used the money to buy training equipment for the Girls football club.

Thank you so much to the Yates family for the kind donation of training equipment we will be putting it all to good use.

ATTENDANCE PERCENTAGE AND LATES OUR OVERALL ATTENDANCE THIS WEEK IS 95.5%

This weeks attendance winners are Reception.
Well done to everyone in Reception, you collectively made 100% attendance this week.

We are seeing an increased number of late arrivals in school. Please remember to get your child to school **before 8:55am in KS2 and before 9:00am in KS1**. Even just 5 minutes late each day results in almost half an hour of learning lost each week.

When we return in November we will be sending home the traffic light letters and late notifications so that you can keep an eye on your child's attendance in school.

Congratulations to our Hot Spot Winners!

A huge well done to this term's Hot Spot Winners. Our KS1 winner was Oscar and our KS2 winner was Ava. We hope you enjoy your treat box over the half term break.

MONSTER BALL

Thank you to everyone who came along to the Monster Ball. As you can see from the photographs, the children had a great time dancing and playing games and some of our staff enjoyed being wrapped in toilet paper for the evening!

New School Roof Reminder

As you may be aware, we have been experiencing some issues with leaks from our roof in various places throughout school. This has been investigated over the past year and as a result, we are lucky enough to have been successful in securing funding from Lancashire County Council for a brand new roof!

Whilst this is great news and we can't wait for the roof to be complete, this is a huge project! Over the half term break, the contractors will be moving onto the school grounds to set up a huge amount of scaffolding all the way around the school building and this will remain in place until the roof is complete in approximately 6 months time.

This project is going to cause some unavoidable disruption to routines and spaces in school. Each class will spend some time over the next few months using the hall as a classroom whilst their classroom roof is worked on. This will have an impact on things like dinners, assemblies and so on.

We will keep communicating via the School App and Class Dojo to keep you aware of any changes, but please bear with us at this time.
