FRIDAY 17TH APRIL 2026

A MESSAGE FROM MRS PRICE

Dear Parents/Carers

It has been great to welcome everyone back to school this week, particularly those who have joined us for the active start to the day. How lovely to have our grounds back to normal after all the building works and to see so many children out on the track before school.

In assembly this morning, it was evident that the children have had a chance to recharge their batteries over the holidays and many awards were given for a fantastic start to the term, showing our school values and even putting in some additional work at home. There were also many children sharing their out of school activities including swimming, cubs, football, brownies, guides and drama. Children are always welcome to bring out of school achievements in to share in Friday morning's assembly - we love hearing about them.

Next week, we are super excited to launch our OPAL lunchtimes. The children will have a whole range of new activities to choose from ranging from dressing up, singing and dancing, water play, arts and crafts and more! A huge thank you to the staff and parents that have worked so hard to prepare for Monday

Have a great weekend.

£20.26 Challenge

Winter in Year 4 and Gotham in Year 6 have raised £20.50 after their mum paid them 50p for each new food they tried! As well as raising funds for school, this ingenious idea has also helped them to discover new foods and they are now a lot more willing to try new foods. Well done to you both!

Adaline in Year 1 opened her own cafe over the holidays serving scones and cupcakes and held a raffle which in total raised £235!
Wow!

Well done to Emma Rose in Year 5 who set up a stall selling her hand made jewellery, along with some DVDs, raising £40.85.

Thank you to all those families who have raised some money to go towards our sensory room. If anyone is still working on this, we would love to hear from you!
Please send any funds into school via the office.
