Parents in receipt of benefits that correlate to the free school meals eligibility criteria above, as set out in the most recent legislation, will be charged a lower rate than those children not on FSM for board and lodgings costs on residential visits. The Headteacher will determine the charges in accordance with guidance from LCC and the LCC centre they use.

The school may also take the decision to use Pupil Premium monies to subsidise further the annual Outdoor Pursuits Trip for certain families.

The school will use Pupil Premium monies to subsidise annual school trips for children who have PP monies. The Headteacher may also offer sessions in after school clubs and Kids Club for certain PP children at certain times of the year.

VOLUNTARY CONTRIBUTIONS

Parents will be invited to make a voluntary contribution for the following:

- a) school visits and activities off site
- b) transport to and from educational visits, and off site activities
- c) visitors to school e.g. when invited to enhance learning instead of a visit
- d) nursery snacks and 'extras'

The terms of any request made to parents will specify that the request for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- That the contribution is genuinely voluntary and a parent is under no obligation to pay;
- That registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher. Parents will be provided with an initial letter explaining the nature of the proposed activity and its likely value on educational terms. It will indicate the contribution per pupil which would be required if the activity were to take place. Where insufficient parental support is gained, the decision on whether to proceed with the activity is delegated to the Headteacher.

INCLUSION AND RACISM

The school has implemented the recommendations of The Stephen Lawrence Inquiry: Macpherson Report (1999). The diversity of our society is addressed through our schemes of work, which reflect the programmes of study of the National Curriculum. Teachers are flexible in their planning and offer appropriate challenges to all pupils, regardless of ethnic or social background. All racist incidents are now recorded and reported to the governing body by the Headteacher. The school contacts parents of those pupils involved in racist incidents. Further details are to be found in the school's Inclusion Policy and its Racial Equality Policy.

The governing body reviews this policy every two years. The governors may, however, review the policy earlier than this if the government introduces new regulations, or if the governing body receives recommendations on how the policy might be improved.
