

Buckshaw Primary School

Headteacher: Mrs K Brooks

Thursday 7th October 2021

Dear Parents/Guardians,

We are pleased to announce that on Thursday 4th November Buckshaw Primary School will be opening its brand new library. This special occasion will be marked by a visit from author Chris Allton, who will be spending the day running workshops for our children and officiating the ribbon-cutting ceremony.

Staff are currently hard at work creating a reading environment that our children will enjoy for years to come. We are stocking the library as best we can but it has become clear we are going to need some help in order for it to reach its full potential.

With this in mind, we have set up an Amazon Wish List full of books that our children have voted for and would love to have in their new library. The children and staff would greatly appreciate it if you could contribute to our cause by purchasing a book for us from the list. In recognition of your contribution to the school, your family name would be added to a commemorative plaque that will be installed in the library shortly after its opening.

Please follow the link below in order to view the list. Upon purchasing a book, please choose the 'Gift Registry Address' and add your name to the gift message prompt you will receive.

The children and staff thank you in anticipation of your support.
